Short Description of IPSE Programme : The Certificate in Disability-Inclusive Practice is one-year course. Classes take place 2 days per week from September to April, followed by a 3-month work placement.

The course aims to develop students' presentation skills, communication skills, and self-advocacy skills.

Detailed Description of Programme :

Students on the Certificate in Disability-Inclusive Practice learn to:

- Deliver training on disability-inclusive practices in education and professional settings
- Review and respond to policies for disability inclusion
- Audit spaces for the physical, social and cultural inclusion of people with intellectual disabilities.

Modules include:

- Statutory frameworks for disability inclusion
- Finding and using your voice
- Presentation and communication skills
- Reviewing and auditing skills
- Employment and social enterprise: Work Placement

A paid work placement is an important part of the course.
